NYC 4-8-4 Niagara, S-1B, United Models; PFM;

**Japan, Atlas. 1957or '58. Custom Paint NYC
#6001. No window glazing. Nice coal load. No
backhead or cab detail, some white paint missing
on driver tires. Open frame motor. KD cplr on
tender. Very nice looking loco. Original blue box
in nice cond. not original packing. Blind unsprung
drivers. Has wheel wear, runs pretty good forward.
Got better with running. So so runner backward,
has a slight loap, got better w/running. Has white
dust or shadow on 10 wheel centipede tender
truck, in the crevices but not on front tender 4
wheel truck. Detailing actually shows better than
on 4 wheel truck. No spare parts. No operating
lights.Weight installed. ours \$224.98 jwb 8'20**

Hallmark Santa Fe E-1A / E-1B diesel set

Kumata-Japan 1982. E-1A powered;
E-1B dummy. Both units have a cab on each
end. (units referred to as Amos & Andy)
Outstanding Factory Paint, window glazing, no
couplers. Units modeled, as-delivered, with
exception of truck skirting which was discarded
on the prototype. Cobalt blue roof, pimpernel
scarlet strip on roof and lower saratoga blue are
all taken from standard colors. "super Chief

Golden Olive" on the sides. Paint info above from Hallmark info sheet included, that explains history of prototype. Runs noisy, but first time run since 1982. Lube and break in and will run better. Outstanding display model if Santa Fe 1935-37 your era. More info in "Early Diesel Daze" (Kachina Press). Original box/foam mint. Can send

photos. our price \$750.00jwb (6'20)
